

State Tournament Attendance by Staff/Students

All varsity coaches and one of their assistants are eligible to attend tournaments concerning their sport. When attendance is not mandatory, the board of education will furnish a maximum of two season tickets to each athletic sport state tournament. The principal, athletic director, and the head coach of the sport for which the ticket is purchased will determine when and by whom tickets will be utilized.

If a coach, who is eligible to attend the tournament of their sport, wishes to take time off from school to attend a state tournament under the terms of this policy, the district will grant the time. Other coaches wishing to attend the tournament of their sport must follow The District Employee Handbook for personal business time off. The board of education will not pay any expenses of the coach(es) unless a team or individual(s) from the Johnson Creek Schools is participating. In any case, for any coach electing to attend a state tournament, the costs of substitute teachers will be borne by the district. Substitute must be cleared with the principal prior to the coach's departure.

Students who wish to attend a state tournament may do so, if they purchase their own tickets and follow the prescribed policy for making up work prior to their attendance.
