Dr. Garvey verified that the meeting was properly posted.

Motion by Loeb/Garvey to adopt the agenda as posted. Motion carried.

Joint Recreation Status

Village Board met in Committee and are requesting a detailed Joint Recreation Directors monthly activity report. They also are requesting an annual financial report and budget request by the 1st Monday in September

Mr. Johnsrud also presented that the Village Board is interested in increasing the recognition of other youth programs not in the current Recreation Program.

The Committee reviewed and revised the Recreation Director's position description. Pay was discussed with consensus that it would be a salaried position with the salary negotiable. Dr. Garvey will post the position.

Dr. Garvey reported that Spring Soccer has approximately 105 participants with games beginning this Saturday. Cassidy Lemminger is working on coordinating a Summer Softball league and we hope Volleyball will also continue. Open Gym is done for the season.

Jeff Constable would like to offer a free Running Club through the Recreation Program. Jeff is working on publicity material and would ask that the Recreation Program help publicize the Club. It will start as an adult offering but he hopes to grow it to include school aged members.

The Committee will meet again May 1st at 5:30 p.m.

Respectfully Submitted By:

Michael P. Garvey, Ph.D.
