

### **Board Member Conflicts of Interest**

Members of the Johnson Creek Public Schools Board of Education shall not engage in any business or transaction or take any action in which they have direct financial interest. Neither may they engage in any activity which is incompatible with the proper discharge of their official duties or likely to impair their judgment in performing their official duties. Specifically,

1. Board members may neither disclose confidential information concerning property, government, or affairs of the School District, nor use such information to advance their private interests, unless proper legal authorization is given to do so.
2. Board members may not accept any item of value or promise that may influence them in the discharge of their duties, except for campaign contributions as authorized by State Statute(s).
3. Board members may not participate in negotiations of salaries, fringe benefits, or working conditions for employees, where they might benefit from the results of these negotiations.
4. Money realized by a Board member from the School District must be within the limits as set by State Statute(s). Compensation for Board members shall be set by the voters at the Annual Meeting, and shall be considered in effect at the next regular or special meeting.
