Motion by Loeb/Wollin to approve the Agenda as posted.

Recreation Coordinator Ken Walters gave the quarterly activity report.

Recreation Director Chad Hayes led a discussion on upcoming activities.

- Met with baseball league officials.
- Yoga has been a success and will look to expand to regular classes.
- Senior fitness had a trainer visit.

The Committee suggested potential programs: yoga for kids, adult kickball, and adult volleyball.

The Committee discussed at length, the status of Centennial field. Dr. Garvey suggested the Village switch the two village owned grooming machines and provide training to parent volunteers who could assist in field grooming when village staff is unable to get the fields groomed (last year weather did not allow Village staff to prepare fields for each event). Another option he suggested would be to hire a high school or college student to provide grooming when Village staff cannot get to it.

Mr. Walters asked for fill for the dugouts to prevent flooding.

Mr. Ritter asked for park to be mowed on a more regular basis.

Village Board members will look into groomer machine for more volunteers to use and will check on the on-going field maintenance.

Mr. Siewert raised a question about a coaching code of conduct. He reported that a particular coach was using unacceptable language while coaching. He will make a specific report to Mr. Hayes. Mr. Hayes will investigate and also will work on adoption of a code of conduct.

The next meeting will be March 23, 2017 at 4:30 p.m. at the School District Board Room (455 Aztalan Street).

Motion by Garvey/Smith to Adjourn. Motion Carried
