

Board Organizational Meeting

The Johnson Creek School Board will organize annually by election of Board officers at a school board meeting held on or within 30 days after the fourth Monday in April. Election of officers will be the first item on the agenda at the meeting.

The officers of the Board will be president, vice-president, clerk and treasurer and election of officers will be in such sequence.

Nominations for Board offices will be made by Board members. Election will be by voice vote, roll call vote or by written ballot, if requested by any Board member. A nominee must receive a majority vote of Board members present for election to the office. Should no nominee receive a majority vote, the election will be declared null and void. Then nominations will again be taken and the vote retaken.

Following the election of officers, the Board will consider such other items of business as are scheduled on the agenda.

Should an office become vacant after the annual organizational meeting, the vacant office will be filled in the same manner as stated above at the next regular or special meeting even though there may not be a full Board of seven members.
