

Full-Time Students

School District of Johnson Creek elementary students shall be considered full-time students when scheduled to be in attendance during the hours instructional classes are conducted for their grades as determined by the administration and approved by the board.

Students in Middle School/High School shall be considered full-time students when they carry at least the minimum number of subjects required by the school as determined by the administration and approved by the board.

Every student in High School shall be either in a regularly scheduled class, study hall or a school-sponsored and supervised work experience program each hour of the school day.

The following are exceptions to the above, and students attending school under these exceptions are considered full-time students because of the nature of the programs and the circumstances involved:

- Students who are placed in special treatment centers who attend classes as scheduled at the treatment center;
- Students who are in the school age parents program and who attend classes as scheduled for the program;
- Students who are assigned less than a minimum class load by IEP Team decision, with parent or guardian approval, because of an exceptional educational need;
- Students who are on a work experience program or approved work-study assignment;
- Students who are receiving homebound instruction as approved by parent or guardian and a licensed physician;
- Students who have other exceptional needs or who are assigned a program determined by the administration, with parent or guardian approval, to be beneficial to the educational progress of the students;
- Students who have been identified as at risk and recommended for an alternative program with parent/guardian approval.

The building principal or his/her designee is responsible to see that adequate and proper records are kept to identify the full-time status of students.
