

SCHOOL DISTRICT OF JOHNSON CREEK BOARD OF EDUCATION POLICY	POLICY: 443.4
---	---------------

Prohibited Drug-Related Activities

Use, possession, intent to deliver or delivery of alcohol or other controlled substances and related paraphernalia.

It is the intent of the Board of Education of the School District of Johnson Creek to comply with all laws concerning the use, possession, intent to deliver, or actual delivery of alcohol or other controlled substances and related paraphernalia and devices. Because of the dangers to the health of the user/abuser and others and the disruption that illegal use and delivery causes to a well-ordered learning environment, the Board of Education will cooperate with law enforcement authorities to enforce all laws regulating alcohol and other controlled substances. Therefore, all staff members are required to cooperate fully to effect this compliance.

- A. Use of Alcohol and Other Intoxicants Not Covered by Other Sections of This Policy
 - 1. The use or possession of intoxicants in or on school property or at school events is prohibited.
 - 2. Attendance at school events – either curricular, co-curricular, or extra-curricular – while under the influence of intoxicants is prohibited.

- B. Distribution of or Possession with Intent to Deliver a Controlled Substance on or Near the Johnson Creek Public Schools’ premises.
 - 1. No person shall possess with intent to use or deliver a controlled substance either on school premises, within 1,000 feet of school premises, or within 1,000 feet of a school bus.
 - 2. This prohibition extends to all school events – either curricular, co-curricular, or extra-curricular and to all activities in which the school is a participant and/or for which school transportation is provided.

- C. Use, Possession with Intent to Use or Deliver, or Delivery of Drug Paraphernalia
 - 1. No person may use, possess with the sole intent to use, deliver, possess with intent to deliver or manufacture drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, re-pack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance as prohibited by state law.
 - 2. For purposes of this section of policy, “drug paraphernalia” shall refer to all equipment, products and materials of any kind that are used or solely intended for

use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, re-packaging, storing, containing, concealing, injecting, ingesting, inhaling or otherwise introducing into the human body a controlled substance prohibited by state law.

3. This prohibition extends to all school events – either curricular, co-curricular, or extra-curricular – and to all activities in which the school is a participant and/or for which school transportation is provided.

D. Actions to be Taken in the Event of Violations of this Policy

1. Any person in violation of the provisions of this policy shall be subject to removal from school premises, confiscation of any materials or devices, and prosecution in accordance with the provisions of all applicable laws.
2. By action of the law (118.257(2) Wis. Stats.) a school administrator, principal, pupil services professional, or teacher employed by the School Board is not liable for referring a pupil enrolled in the school district to law enforcement authorities, or for removing a pupil from the schools' premises, or from participation in a school-sponsored activity, for suspicion of possession, distribution, or consumption of an alcoholic beverage or a controlled substance.
