Tuesday, June 10, 2008
10:45 a.m.
Elementary Office

The Committee meeting was called to order by Acting Chair Don Battenberg.

Members present: Don Battenberg, Rick Kaltenberg, District Administrator Michael P. Garvey, Principals Eric Ranzen and Kristine Blakeley

Member excused: Kellie Loeb

Also present: Theresa Kaukl and Chris Klatt

Dr. Garvey verified that the meeting had been properly posted.

The Committee visited the third grade classroom of Ellen Klaus. The four-month-long water project was chosen as the "June's Best Practice Project". Mrs. Klaus and several students described their project, the students' roles in the project and some of their findings. The project also sparked a partnership with the Rock River Coalition and the Village Water Department.

Mrs. Kaukl presented her annual G.T. report. Committee members and the administrators helped set the course for next year.

The expectations are to have in place for the 2008-09 school year a clear identification process, differentiation plans for each student that staff develop, and follow-up documentation.

Mr. Ranzen presented a request to enter into an agreement with Channel 1.

Moved by Kaltenberg/Battenberg to recommend to the full Board that the District enter into an agreement with Channel 1. Motion passed.

Chris Klatt presented a report on summer school. Fee statements and class schedules will go out this week.

Mrs. Blakeley and Dr. Garvey updated the Committee on the curriculum projects expected for the summer. They will report monthly.

The next meeting will be Tuesday, July 15, 2008. Mr. Ranzen will present information from the WKCE results.

Moved by Kaltenberg/Battenberg to adjourn. Motion passed.

Respectfully submitted,

Dr. Michael P. Garvey
District Administrator
